Complete My Order

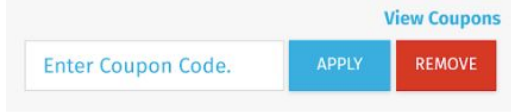

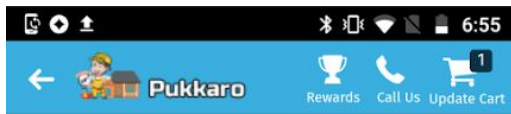

Very slow. It takes lot of time when I change my recurring options selection

How customer will figure out its for how many months?

- Once a Week
- Every Two Weeks
- Monthly (every 4 Weeks)

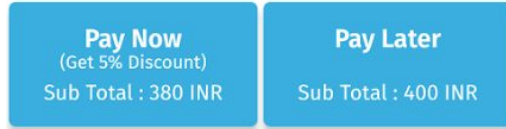

Monthly should be giving 5%, then bi-weekly 10% and then Once a week 20%

Why the price remains same when Monthly options is selected?

Save 20% Cost : 500 INR

You Pay : 400 INR

You'll get 10 Reward Points

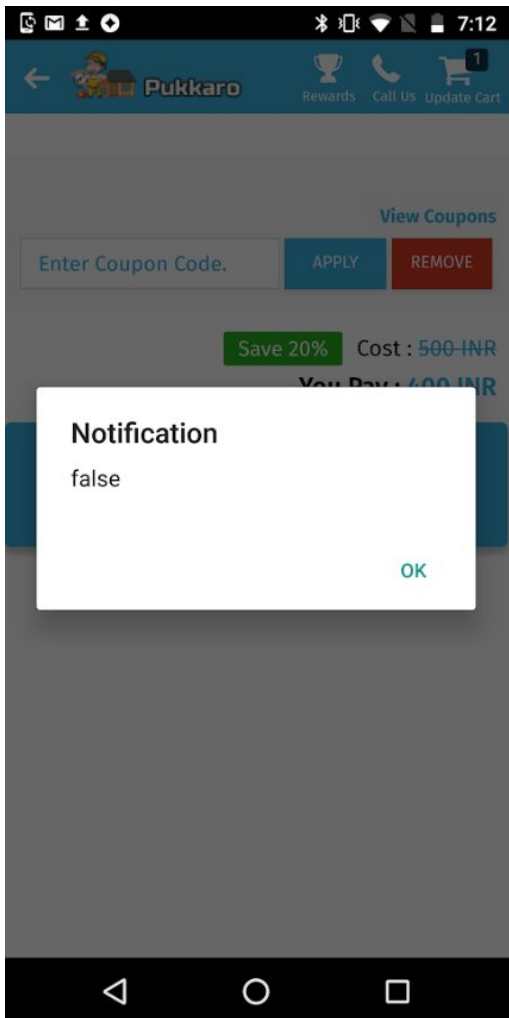

Why there is color difference?

- The text should be below the button.
- Get 5% Discount should be green color.
- Can we show Rs. instead of INR everywhere
 - 380 INR should be Rs. 380

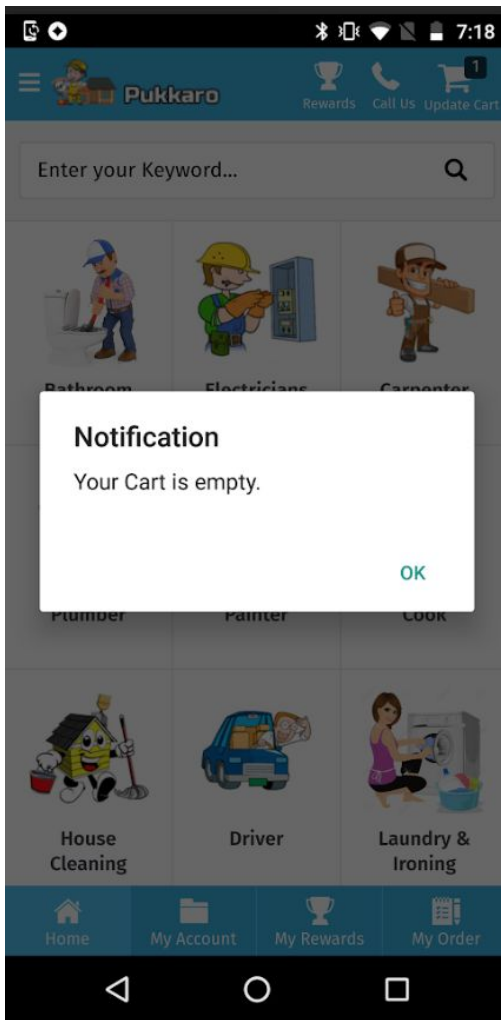

You'll get 10 Reward Points!

(It should be in yellow color)

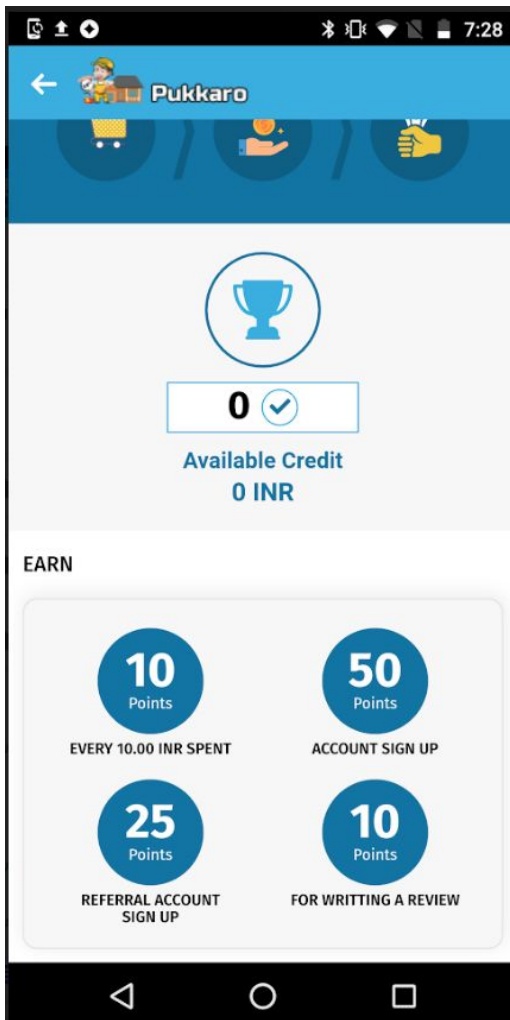

It should also show reward sign before the text
